# About Us!

## Jonathan Pirone:

Hello parents! My name is Jonathan. I've been at the YLC for 7 years. I've been involved at the YLC as a tutor, ball hockey coordinator, camp animator, as well as a camp coordinator. As per usual, I'm very excited to be starting a new camp season. This is my 3rd year as a camp coordinator, and I'm pleased to be a representative for the 4-5-6 & Teen Spirit grade levels. With the help of my partner, Marysia, we wish to present another wonderful camp year with your child and ensure that they have a very SafeFun experience at Happy Days and Teen Spirit.

## Marysia Kasprzak:

Hello Parents! I have been blessed to be the Assistant Program Director at the YLC for over a year and I am very much looking forward to taking on a new set of responsibilities this summer, as I take on the role of a camp coordinator. My partner, Jonathan and I have put a lot of heart into planning this summer's activities, and so we are so excited to finally put all our hard work into action! We hope that this summer will be filled with lots of joy, laughter and above all SafeFun for your children. Let the Games begin!

### WE DISMISS OUTSIDE AT 4pm!

In order to facilitate the dismissal of the campers, we ask that you please respect this time and wait for your children at the designated entrance at East Hill or YLC. At that moment, we will accompany them outside and you will then be able to pick up your child. Please note that campers will not be dismissed to parents waiting in their cars. We ask that you pick up your children at the entrance. For those that have children at East Hill and at the YLC. Please pick up your child at East Hill FIRST. You have a 30 minute “grace period”. Plenty of time so don’t stress 😊

Dismissal can become very hectic and we understand that finding a parking spot around the school and YLC may not be an easy task. However, for the safety of all our campers and to simplify the dismissal process, we ask that you please not double park in front of East Hill school and YLC entrances. Police will be doing regular checkups and issuing tickets. Don’t take the risk. Park your car and get some sunshine!

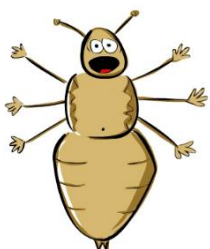

### No NUT products allowed!

Due to many severe allergies, we ask you not to bring any products that contain or may contain peanuts, nuts or traces of any other nuts to camp. Parents who have children with nut allergies, please be advised that we cannot guarantee that our center locations and other children’s lunches will be nut free. We will be vigilant but please advise your child not to share or accept snacks and food from others. Please share with us the severity of the allergies.

### Bullying Definition at the YLC summer camps

The approved interpretation of what our summer camps define as bullying is; ***The conscious and deliberate and consistent effort by a camper or campers to belittle or damage the self-worth of another camper.***

“Teasing” or random name calling is not bullying. It is at times, a common situation by some children regardless of their age. The YLC is very attentive and supportive to those children who may be suffering from bullying at their schools. Please share any information about your child’s self-esteem and reputation at school. We will help them (if they are the bullies and/or getting bullied). Our goal is to empower each child in our care to become beacons of light who all have unique gifts and talents. All our campers will be reminded daily that they are all awesome kids!!!

### Got Lice? Had Lice? Think your child has lice? Please alert your child’s coordinator immediately!

Do not send your child to camp unless they have had treatment for at least 3 days. Do not jeopardize the participation and attendance of our camps for other children! Lice spreads quickly in a big camp setting! We know that this may put your family in a difficult situation but it’s just the right thing to do! Please be aware that if as a camp team, we feel you have knowingly put other children in jeopardy, we will ask you to reimburse the days those affected children who have to miss camp days. Failure to comply will then have an effect on your child missing camp days. Please let us work together for a lice free summer! Thank you!

**TWO TIPS: TIE THE HAIR IN A PONYTAIL AND WEAR A BASEBALL CAP EVERYDAY AT CAMP!**
